

Grant

>From A1

proposition provides funds for local assistance grants as well.

Staff from the San Diego Archaeological Center was part of a group that helped write

Proposition 40.

Applying for the grants is competitive. The center was denied a grant in the first round of applications but received a grant in the second round. The Anza Borrego Foundation and California State Parks, San Diego Casa de Bandini Hotel, also were grant recipients.

The San Diego Archaeological Center is located at 16666 San Pasqual Valley Road in Escondido.
